WELCOME

AUGUST 2023

Welcome to the **2023-24 Pelham Resource & Business Directory**. This Guide is created to foster a greater sense of community and identity among the residents of Pelham and to aide visitors to get to know the town and village better.

Learn about the Pelhams and all the extraordinary things the community has to offer. As you flip through the pages of the **Resource Guide**, you'll discover what makes a community with . . . strong leadership, an abundance of volunteer organizations and a champion school system.

The **Business Directory** offers important and sometimes critical contacts for all your personal and home needs. It is important to shop local to continue to help the community thrive.

Pelham's appeal has turned many one-time visitors into new residents. And while Pelham is constantly growing and improving . . . there is one thing that remains the same . . . the sense of community. As Pelham moves forward, residents continue to volunteer to help their neighbors, protect and nurture their children and come together to support their community and businesses.

The **2023-24 Pelham Resource & Business Directory** can be found in the current issue of *The Pelham Post*. Copies of the Guide are distributed throughout Pelham's many businesses and government offices, and is available to download at **www.thepelhampost.com** year round.

PARKING INFORMATION

The Village of Pelham operates seven (7) municipal parking lots throughout the Village: Parking for the Metro-North Train Station is coordinated through the MTA. To obtain a Metro-North Parking Permit call (888) 682-PARK.

The Village of Pelham Code prohibits parking on all Village streets between the hours of **2:00 AM and 6:00 AM**. This policy permits regular street sweeping, aids police surveillance and maintains the small-town feel and aesthetic quality of the Village. The Village also limits parking to two hours in the downtown district and certain residential streets. Long-term parking meters are available on Wolfs Lane south of Boulevard, Nyac Avenue, First Street, Fourth Avenue, and Harmon Avenue.

For those requiring off-street parking, the Village operates a parking permit program involving several municipal lots and garages. At the present time six (6) parking lots are available for residents and merchants and one (1) lot is available for Pelham Manor residents and other non-resident individuals. A parking permit form must be filled out for each parking permit given (the forms for each category are different, make sure you have the appropriate form). Permits are sold either monthly, quarterly, semi-annually or yearly. The parking rates differ depending on whether you are a Village of Pelham resident, non-resident or merchant.

Parking Lot 1	First Street, behind One Wolfs Lane (Old Post Office)
Parking Lot 2	Third Street and 4th Avenue
Parking Lot 3	Third Street and 6th Avenue
Parking Lot 4	4th Avenue between Second and Third Streets
Parking Lot 7	Sparks Avenue, behind Village Hall
Parking Lot 9	5th Avenue, Seventh St to Willow Avenue (west side)
Parking Lot 10	Wolfs Lane, bet Boulevard and Franklin (east side) Boulevard West, Wolfs Lane to Bridge (south side)

2023 PARKING PERMIT INFORMATION

The 2023 process for parking permits is **ONLY** done electronically with Passport, a new platform used by the Village of Pelham. Please note this permit is paperless and once you purchase it online, the police department will be notified that you have a valid permit. User may list up to three cars on each permit, but please note that only one car may be parked in the lots at a given time.

Go to **pelhamgov.com/home/pages/parking-permits** and read all the instructions carefully.

Due to the close proximity to New York City, there have been minor delays in receiving emergency calls made on cell phones. They are asking all residents NOT to dial 911 from their cell phones. They ask that you program 914-738-0800 in your phones to contact the Fire Department for emergencies and 914-738-1000 for the Police Department. This number is a direct dial to the dispatch.

Pelham Middle School is a community for learners. We believe that all learners need to be rigorously challenged; that all learners need to be empowered with both the basic skills and the critical thinking ability that will enable them to become productive contributing members of a racially and culturally diverse, yet increasingly interdependent, world. We believe in the value of both individual effort and group cooperation. We believe that our school needs to be a safe, caring place of learning; a place that recognizes the unique value of each person who studies or works in our midst. We want to build and continually nurture a school climate that recognizes the importance of serious work and fun too; a school climate that delights in the wonder, energy, and excitement of students in the middle grades of their public education.
